ASPEN PILLOWTOP

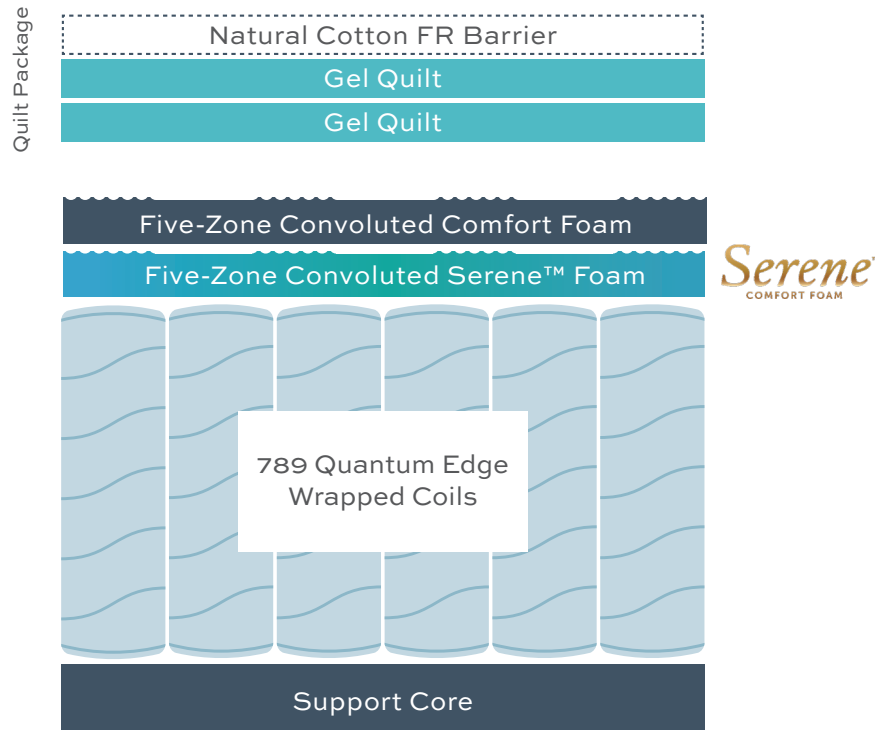

SYMBOL

Your life, your mattress

MATTRESS CODE: URQA9L

WARRANTY: 10 YEARS NON-PRORATED.

14" | Pillowtop

Gel Infused Serene Foam features advanced supportive air technology, which includes billions of microscopic air capsules that promote airflow, enhance breathability, and increases support without compromising comfort.

789 Quantum Edge Wrapped Coils provide increased edge support and increase the overall size of your sleeping surface. The individually wrapped coils contour to your body and reduce motion transfer disturbances.

*Displayed Fabric May Vary

Designed and built
in the USA..

Proven materials
made to last.

Contouring designs
for deeper sleep.

Cool gel foam for a
cooler sleep.

Symbol Contemporary Series

Symbol's Contemporary Series mattresses are engineered using nothing but the very best components and hand tailored with luxurious materials for a modern appeal.
