

Contemporary Series

CENTERPIECE PLUSH

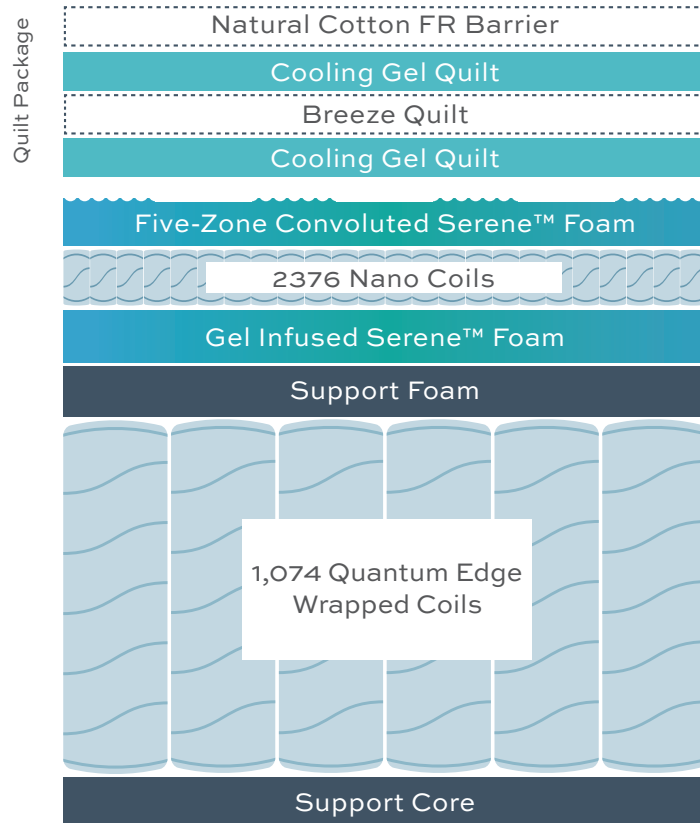

SYMBOL

Your life, your mattress

MATTRESS CODE: EGQXMW

WARRANTY: 10 YEARS NON-PRORATED.

15" | PLUSH

Serene™
COMFORT FOAM

*Displayed Fabric May Vary

Designed and built
in the USA..

Proven materials
made to last.

Contouring designs
for deeper sleep.

Cool gel foam for a
cooler sleep.

Symbol Contemporary Series

Symbol's Contemporary Series mattresses are engineered using nothing but the very best components and hand tailored with luxurious materials for a modern appeal.

Gel Infused Serene Foam features advanced supportive air technology, which includes billions of microscopic air capsules that promote airflow, enhance breathability, and increases support without compromising comfort.

2376 Nano Coils provide ultra-responsive comfort and support. These small but mighty coils conform to the individual contours of your body for a personalized feel and sleep up to 28% cooler than traditional comfort foam layers.

1,074 Foam Encased Wrapped Coils individually conform to your unique body shape for personalized support and reduced motion transfer.
